Troop 809 periodically places orders for "troopwear" which is suitable for use as part of a class "B" uniform. Items are Class B red with an embroidered Troop 809 logo.

The troop expects all scouts to travel to campouts/excursions wearing a class "B" uniform consisting of a red shirt and a pair of neat green or beige pants. It is very helpful for the adults driving to events to be able to pick scouts out of a crowd by scanning for the red apparel. If you do not have a troop shirt, please wear a red shirt close to the troop shirt color.

Troopwear orders are made on a semi annual basis, spring and fall, so order what you need for the upcoming scout season. Prices are approximate and subject to change due to order amount and availability.
